MM Docket No. 96-30

In the Matter of
Amendment of Section 73.606(b), RM-8762
Table of Allotments,
TV Broadcast Stations.
(Antigo, Wisconsin)

NOTICE OF PROPOSED RULE MAKING

Adopted: February 22, 1996; Released: March 6, 1996

Comment Date: April 29, 1996
Reply Comment Date: May 14, 1996

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by Robert J. Cox d/b/a Native American Television Company ("petitioner"), requesting the allotment of UHF Television Channel 46 to Antigo, Wisconsin, as that community's first local television service. Petitioner provides information in support of the proposal and states its intention to apply for the channel at Antigo, if allotted.

2. Antigo (population 8,276)¹ in Langlade County (population 19,505) is located in northeastern Wisconsin, approximately 110 kilometers (70 miles) northwest of Green Bay, Wisconsin.

3. A staff engineering analysis of the proposal indicates that UHF Television Channel 46 can be allotted to Antigo, Wisconsin, consistent with the minimum distance separation requirements of Section 73.610 of the Commission's Rules without a site restriction.² Although the Commission has imposed a temporary freeze on new television allotments in certain metropolitan areas, the proposed allotment at Antigo is not affected thereby. See *Notice of Inquiry*, 2 FCC Rcd 2125 (1987) and *Order*, 52 FR 28346, July 29, 1987. Since Antigo, Wisconsin, is located within 400 kilometers (250 miles) of the U.S.-Canadian border, concurrence of the Canadian government will be obtained for this proposal.

4. We believe the public interest would be served by seeking comments on the proposal to allot Channel 46 to Antigo, Wisconsin. It should be noted that Channel 46 operating at maximum facilities, will provide city grade coverage over the community of Wausau, Wisconsin (1990 population of 38,700). Wausau is located 43.9 kilometers (27.3 miles) from Antigo. Accordingly, we seek comments

on the proposed amendment of the TV Table of Allotments, Section 73.606(b) of the Commission's Rules for the community listed below, to read as follows:

Community	Present	Channel No.	Proposed
Antigo, Wisconsin	---		46

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before April 29, 1996, and reply comments on or before May 14, 1996, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.
